

LAY YOUR HEAD - Gitte Degn

1) Lay your head down on my pillow
Lay your head down on my heart
For as long as I'm here in your arms I can be in no better place
so lay your head down on my heart

2) Rest your soul and hear the willows
rest your soul and hear my heart
'Cause as long as I'm here in your arms I can be in no better place
so rest your soul down on my heart

Omkvæd) Cause the fever won't stop
it won't leave me alone
'till I'm out there again
It keeps pumping the blood to my head instead of my heart
And the crawling for more leaves me breathless and sore
and so tired and 'shamed
so I need you to bring me back home, this is where I belong
I won't do it again..and again and again and again and again and again

3) Lay your head down on my pillow
Lay your head down on my heart
For as long as I'm here in your arms I can be in no better place
so lay your head down on my heart

4) Du du....

Omkvæd) Cause the fever won't stop
it won't leave me alone
'till I'm out there again
It keeps pumping the blood to my head instead of my heart
And the crawling for more leaves me breathless and sore
and so tired and 'shamed
so I need you to bring me back home, this is where I belong
I won't do it again..and again and again and again and again and again

5) Lay your head down on my pillow
Lay your head down on my heart
For as long as I'm here in your arms I can be in no better place
so lay your head down on my heart
down on my heart
down on my heart.
