

TIME TO SAY GOODBYE - Sarah Brightman

1) When I am alone I sit and dream and when I dream the words are missing
Yes I know that in a room so full of light that all the light is missing
But I don't see you with me, with me
Close up the windows
bring the sun to my room through the door you've opened
Close inside of me the light you see
that you meet in the darkness

Omkvæd: Time to say goodbye
Horizons are never far
would I have to find the alone
without true light of my own
with you I will go
on ships over seas that I now know
no they don't exist anymore
it's time to say goodbye

2) When you were so far away I sit alone and dream of the horizon
then I know that you are here with me, with me
Building bridges over land and sea
Shine a blinding light for you and me to see
for us to be

Omkvæd) Time to say goodbye
Horizons are never far
would I have to find the alone
without true light of my own
with you I will go
on ships over seas that I now know
no they don't exist anymore
it's time to say goodbye

Omkvæd) So with you I will go
on ships over seas that I now know
no they don't exist anymore
it's time to say goodbye
So with you I will go....
(mellemspil)
I love you.
