

YOU GOT A FRIEND - Carole King

1) When you're down and troubled and you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

Omkvæd) You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there yeah...
You've got a friend

2) If the sky above you grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
and call my name out loud
Soon you'll hear me knocking at your door

Omkvæd) You just call out my name
And you know wherever I am
I'll come running a'running yeah to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there yes I will

Bro) Now ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you, yes and desert you
And take your soul if you let them
Oh, but don't you let them

Omkvæd) You just call out my name
And you know wherever I am
I'll come running a'running yeah to see you again
Ohhh winter, spring, summer or fall
All you gotta to do is call and I'll be there, yes I will
You've got a friend...ain't it good to know you've got a friend...uhh baby...you've got a
friend...uhhh...you've got a friend.
